## COMMENTS FROM THE TOWN MANAGER'S OFFICE

The Ford truck now has the new plow mounted on it so the town now has five trucks available for plowing. The motor grader has not been repaired yet and a decision has not been reached about repairing it. The machine is fourteen years old and a small model. The Caterpillar Company has stopped production on the model that the town owns and the smallest grader they make is one size larger than ours.

The repair bill on the grader that the town owns will run between one and two thousand dollars. That is a lot of money to spend on an old piece of equipment but a good used grader would cost around ten thousand dollars and a new grader would cost over 25 thousand dollars. There are three alternatives with good and bad points to each.

The school at West Bethel was connected to the water line of the West Bethel Water System this week. The water is very low at West Bethel but the school needs water to operate. It was a matter of supplying water to the school or transporting the student to another school.

The sewer line on Paradise and Broad streets has been plugged at least once each week for the past two months. There isn't any apparent reason for the plugs but ridding the line and chemicals doesn't seem to have a lasting result. More manholes will have to be built on the two streets next spring. Most people bothered by plugged sewer have been very patient while waiting for the work to be done to free the plug. They also have had to clean up some wet floors and messy cellars. For this I thank them. It is unpleasant for them and for the men who have to work on them.

Michael Honihan

Western, Dixfield is chosen to be the soprano soloist at the performance of Bach's Magnificat at the University of New Hampshire's Johnson Theatre this week Wednesday and Thursday.

It is reported that a local company of Waterbury, Mass. has purchased the Barnham and Merrill Co. with plants in South Paris, Buckfield, Fryburg as well as Portland.

As a special prize meeting at the 17th public will continue to attract Canton to the 17th District 21.

## LIVING NATIVITY SCENE ON BETHEL COMMON SUNDAY, DECEMBER 20

Bethel people and visitors are invited to follow the guiding stars, found on all roads leading into Bethel, to the Manger on the Common this Sunday, where three presentations of a Live Nativity Scene will take place. Listen for church bells which will chime ten minutes before each of the three presentations (instead of four as previously announced) scheduled to begin at 4:30 p. m., 5:30 p. m. and 6:30 p. m. Teams of bell ringers will include Mike Tibbetts, Mike Chretien, Lincoln Fiske Jr., Seth Timberlake, Peter Kiley and Steve Hastings.

Amid the strains of Christmas music, and a running commentary by Robert Kenniston, the beautiful Christmas story will be enacted in a live thirty-minute Nativity scene. Participating in this colorful and inspiring pageant will be: Margaret Fiske, Greg Glines, Carolyn Fiske, James Fiske, Lawrence Davis, Roland Glines, James Lowe, Daniel Vogt, Claire Bachelder, Merton Brown, Timothy Hutchins, James Davis, Warren Tibbetts, Allen Walker, Randy Chretien, Roger Dock, Jack Brooks, David Thurston, Larry Jacobs, Charles Jacobs, Allen Burgess, Peter Burgess, Richard Waldron, William Eames, Lindy Chayer and Douglas Farrar.

It is anticipated that a cameraman from W.M.T.V. T. V. will be on hand to televise the proceedings.

At the completion of the pageant, Mrs. George Taylor, assisted by her son, Bruce, will place her life-sized hand painted nativity figures in the stable for the remainder of the Christmas season.

Bethel Girl Scout Cadettes, directed by Mrs. Rodney Brooks and Mrs. E. K. Tibbetts will serve hot chocolate and coffee in the Community Room to members of the cast between pageant showings, and, after the last scene is completed, members of the cast and their families have been invited to join Mr. and Mrs. James Fiske at the New Yorker for supper.

Continuing for the cast is under the direction of Mrs. Roland Glines and committee members Mrs. John Frankewer, Mrs. Richard Littlefield, Mrs. Louise Fiske, Mrs. Charles D. Morrill and Mrs. James Fiske. Mrs. Helen Saunders and Mrs. R. Lewis Anderson will assist in the casting. Mrs. Donald Thompson will do all the make-up. Bands for the occasion and shepherds have been donated by the Bethel Players. Mrs. Donald Brown and Mrs. Robert Kenniston are in charge of transportation.

Animals in the pageant will be loaned by Warren Hastings, Stanley, Mace, Elmer, Ray, Ted and Elmer Saunders. For more information on the animals will be done by Richard Carter, Phil Chapman, Bruce Bailey and Norman Dock.

In reference to the Juvenile Officer, Horton said that he was the first to offer such a service and that Mr. Parent has had a great deal of experience in working with youth groups. Mr. Parent will work with the youth of Oxford County, their parents, their teachers, and any civic group or fraternal organization interested in promoting the youth of this county.

Mr. Horton went on to say that he felt that the Sheriff's Department should be modernized and brought up to the level of the other law enforcement agencies in the country. "This I intend to do and have already taken the necessary steps to put the plan in motion."

When asked about training for his men, Mr. Horton replied, "both Stan Haskell and myself have in the past taught law enforcement techniques and I feel that we are qualified to instruct our deputies. In addition when time permits, all of the men will be sent to a law enforcement school, which in all probability will be the State Police Academy. In addition
